

Imagine everyone, all over the country, taking one hour from their busy schedule, on the same day, at the same time, in the middle of the week, to **honor God**.

One God Movement™ is the beginning of a revolution to stop the silence and STAND for our Father in heaven.

IT IS TIME! Time for us to humble ourselves before God, our children, this generation, and the ones to come; and say please forgive us for being so busy, complacent and so distracted, that we have become silent as others try to take our spiritual foundation and freedoms away. This is not the way we respond to a minority, when they try to dictate the freedoms of the majority.

Don't just be another number. Make a mark, and show your children they are important. That they can be world changers, if they have faith and stand for their beliefs. Now is the time to make a change for our future generations. We can no longer pass the responsibilities on to our political leaders, pastors and those in authority. We must do our part. We must stand, as it states in Ephesians 6:13, "when you have done all to stand: **STAND!**"

It is time to bring the Word of God, our history book, back into all the schools. If they can teach Islam, witchcraft and evolution, they can most certainly teach the Word of God. The Word upon which our forefathers built our country's foundation, and placed their trust, 100's of years ago. Don't let the enemy steal any longer!

Be aware of your choices.

- You can choose to do something now.
- You can choose to procrastinate once again.

If repentance does not follow sin, judgment will. Repentance restores our relationship with God.

WE WILL NOT BE SILENT!

The One God Movement™ is a wake up call to the body of Christ to come out from under their rocks, and show, through Christ, we are a force to be reckoned with.

No longer will we be silent, while the enemy steals the heart and knowledge of God from our children and generations to come.

SOS: Sins of Silence:

Acquiescence - a legal definition "to agree by silence."

In our country if someone commits a crime, and you are aware of it and do nothing, you are in agreement. Does this mean that when a few decided to take the word of God out of our schools in 1948, we were accomplices? And then, in 1963, when we removed prayer from our children's schools, were we accomplices?

Now, as they rumor to take our Father's name from our currency and government buildings, are you an accomplice?

How long will we be silent? Shall we wait till they pass a law that if we are in possession of a bible, we will be imprisoned?

It took one man to stop slavery. It took one woman to pass a law to murder our unborn children. It took one man to build an ark, and it will take one body - the body of Christ, to build the Faith of mankind; to humble themselves and turn their hearts back to the one God our forefathers designated as the foundation of this country.

Excerpt From President Lincoln's Letter (written for April 30, 1863, as a Day of National Humiliation, Fasting, and Prayer):

"We have been the recipients of the choicest bounties of Heaven. We have been preserved, these many years, in peace and prosperity. We have grown in numbers, wealth, and power as no other nation has ever grown.

But we have forgotten God. We have forgotten the gracious hand, which preserved us in peace, and multiplied and enriched and strengthened us; and we have vainly imagined, in the deceitfulness of our hearts, that all these blessings were produced by some superior wisdom and virtue of our own. Intoxicated with broken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us! It behooves us, then, to humble ourselves before the offended Power, to confess our national sins, and to pray for clemency and forgiveness."

President Lincoln called for the nation to take the day off on April 30, 1863, and in humility go to our Father in Heaven. What better day to show that we will not be silent, that we will stand for our freedoms.

"All that is required for evil to prevail, is for good men to do nothing." Quote by Edmund Burke.

Prepare to make a stand on April 30, 2008 from 12 to 1p.m.; all denominations coming together as one voice. Let us look beyond our differences; and to our one and only God. Pray for the fear of God to come back into man. To humble ourselves and allow God to do a work in the hearts of us all. To place Him first in our lives. To give back what isn't ours in the first place - our families, positions, and even our gifts/talents that are from Him. Get a little uncomfortable and press in.

Go to your nearest flagpole from 12 to 1 p.m., or join us at Lake Eola's amphitheater in downtown Orlando. We will have worship prayer and music for this generation. Invite your co-workers, family, and friends to join you. Check your children out of school for one hour. **MAKE A STAND.**

This will be the debut of a new song of freedom that will ring throughout our land, dedicated to the students who have lost their lives through our sins of silence. You do not want to miss it.

One God Movement™ is the beginning of a revolution to stop the silence and **STAND** for our Father in heaven.
